# FROM THE CHAIRMAN OF THE BOARD

Bishop Andrew Cozzens, SPO Alumnus

Dear Friends,

So many of our Catholic young people today are abandoning the practice of faith during their young adult years. As young people leave the security of their parents' home and the parish youth group and move onto college campuses, the faith in which they have been raised is at best ignored and most often challenged. Only 10% of Catholic millennials are attending Mass. It is in view of this crisis that Saint John Paul II called for a "New Evangelization" to which the Church needs to devote "all its energies" (Redemptoris Missio #3). Pope Francis renews this exhortation: "We need to abandon the complacent attitude that says, 'We have always done it this way.' I invite everyone to be bold and creative in this task of rethinking the goals, structures, styles, and methods of evangelization" (Evangelii Gaudium).

SPO is one of the new organizations that is renewing and re-visioning the way we as Church minister to this generation. SPO employs a powerful and effective method. SPO Missionaries reach out to students in genuine relationships, invite them into communities of faith, and form them to be lifelong disciples and committed, faithful Catholics. The impact that SPO Missionaries have in a college student's life can be transformational. Thousands of SPO alumni continue to be committed and faithful Catholics long after they have left the university. They are renewing the Church and evangelizing the culture.

It is a joy for me to be connected with Saint Paul's Outreach and serve as Chairman of the National Board of Directors. Each year I look forward to celebrating the

closing liturgy of the School of the New Evangelization, where I commission these young Missionaries and students (now 380 strong) as they head back to campus. These young men and women are a part of the New Evangelization and a great sign of hope for the future of our Church.

In Christ,

*+ Andrew H. Cozzens*

# FROM THE PRESIDENT: THE MUSTARD SEED

by *Gordon DeMarais*

This past year, Saint Paul's Outreach celebrated three decades of reaching young people on college campuses and sharing the gospel with them. In 1985 when I was asked to develop an outreach program for university students, I could not have imagined what the Lord was planning. What began as a local operation is now being carried out by 130 staff and Missionaries throughout eight strategically placed regional headquarters (called Mission Centers) across the country. Within these Mission Centers, we find ourselves serving four of the top ten largest public universities in the country.

This is the principle of the mustard seed. With the smallest of seeds planted and nurtured, God can exponentially transform our efforts into something truly extraordinary. This year, SPO expects to reach 17,000 students on college campuses!

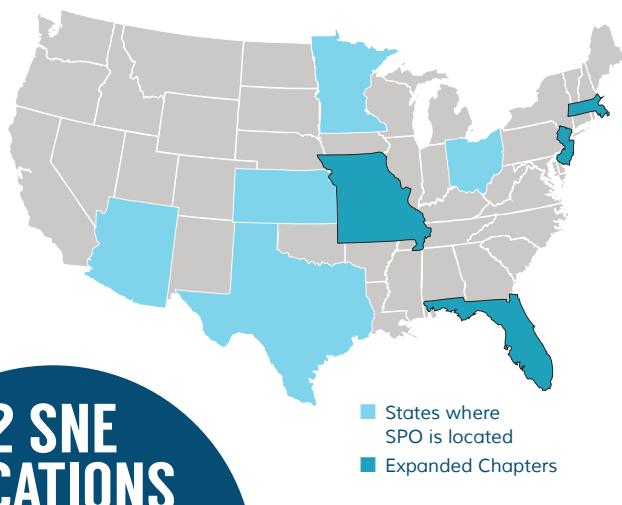

In his letter to the Philippians, St. Paul speaks of a 'partnership in the gospel.' Our work is truly a partnership between young adults who serve as Missionaries, and countless volunteers who give time, wisdom, and financial resources to help sustain our mission. Each 'yes' we receive is multiplied by God, and the principle of the mustard seed continues. I am so very grateful.

# STUDENT TESTIMONY: LEAVING FAILURE BEHIND

by Will Carey

Growing up, I often struggled in school. After experiencing failure, I began to believe it was a part of my identity. I immersed myself in my high school's party culture, searching for an escape.

Upon high school graduation, I started attending classes at Johnson County Community College (JCCC) near Kansas City. Being a commuter school, I experienced little community on campus. This brought about an atmosphere of loneliness and solitude. I fell deeper into the party lifestyle. One night in May of 2012, I went out drinking and passed out behind the wheel, totaling my dad's car. I had hit rock bottom.

Early the next morning, I cried out to God in prayer, seeking direction for my life. The Lord gave me hope. I asked Him to put me on a path that would lead me back to Christ. It was then that I began to develop a prayer life. One day at lunch, I asked God where He wanted me to sit in the cafeteria. Scanning the room, I recognized some guys I met previously that year and chose to sit down with them.

There I met Joe, an SPO Missionary. There was something different about him. I listened to him share about his struggles in a bold and dynamic way. His authenticity drew me into the SPO community and I eventually attended an SPO retreat (Fan into Flame) where I encountered the Father's love in a deep new way. God broke down many of the walls I built up around my identity in failure.

## Discovering a Community

During the spring semester of 2014, I dove into the life that the SPO community had to offer: getting involved in their small groups, going on a mission trip to Detroit with SPO Missionaries, and living in an SPO Summer Household – all of which brought about great change in me. After attending SPO's School of the New Evangelization, I grew a heart for mission. I transferred to Emporia State University where I began running an SPO men's small group and found the courage to talk about faith with my cross country team. I had discovered a zeal for life and became more involved in church. I decided to go through RCIA; and on Easter of 2015, I officially became a Catholic!

When my final year of college started to wind down, I struggled between pursuing a secure career in finance or becoming an SPO Missionary. After much prayer, I realized how important it was to have SPO Missionaries walking side by side with me during a pivotal time in my life. I desired to do the same for others. Now, I am honored to be serving as a Missionary at Benedictine College. I strive to serve others and pray that I can be a witness to the Kingdom. There is more joy in my life than I could have ever imagined; God's promise of hope has been proven true.

# OUR NEW EXECUTIVE STAFF

## *David Fischer, Vice President for Advancement*

It has been one year since I joined Saint Paul's Outreach as the Vice President for Advancement. As SPO expands its reach and vision, new advancement goals and benchmarks are needed. I am blessed to lead these fundraising efforts at such a critical time in SPO's 30+ year history!

I joined SPO's National Headquarters in December of 2015, and I am responsible for all development, marketing, and communications activity within SPO's growing national organization.

As a native of Minnesota, I have deep roots in the Twin Cities Catholic community. I served as a missionary for one year with NET Ministries before entering Saint John Vianney College Seminary at the University of St. Thomas, from which I graduated with degrees in Philosophy and Catholic Studies. Following graduation, I joined the SPO staff for two years and worked closely with the Campus Ministry Department at St. Thomas. Thereafter, I graduated from St. Thomas School of Law and was hired by the Catholic Community Foundation in the Archdiocese of St. Paul & Minneapolis. As the Director of Gift Planning and Legal Affairs, I focused on fundraising and planned giving efforts.

For the past four years, I have worked in the entertainment industry developing and financially seeding feature film, television, and documentary projects with Catholic and values-driven themes.

My wife, Laura, and I have seven children ranging in age from one to twelve. We are excited for the arrival of our eighth child, due in March. We are pushing for a priest, a nun, lots of grandchildren and, of course, future SPO Missionaries!

## *Greg Schiffer, Chief Financial Officer*

After working part time as a consultant for the past several years I was invited to join Saint Paul's Outreach last November as its Chief Financial Officer. This is a new role for the organization on the executive team, recognizing the significant growth we have experienced in the past several years. The year has been exciting, working with my colleagues at both the National Headquarters and throughout the country.

I have worked for many years in both large corporate settings throughout the United States, as well as more recently starting several companies and offering consulting services to the small business marketplace. As a young adult I was actively involved in campus evangelism at several universities in Iowa and the Twin Cities. Being part of Saint Paul's Outreach brings back many wonderful memories of service as a young man.

My wife, Ann, and I have been married 35 years and have six adult children (three are married) and five grandchildren. Ann works at the Saint Paul Seminary in St. Paul, MN. Both Ann and I are graduates of the Archbishop Harry J. Flynn Catechetical Institute. In my free time, I am an avid sports fan and an aficionado of fine films.

I am looking forward with great interest to tackling the challenges ahead as SPO continues to grow and respond to God's invitation to bring the Good News and authentic community life to university students around the United States.
